Foreword

The following list of Acts of the 2019 Regular Session of the 92nd General Assembly has been compiled for your information by the staff of the Association of Arkansas Counties. We have made every effort to identify all Acts that relate to county government. However if we missed any, we ask you to please let us know.

Of the 1,864 bills filed during the session, 1,091 became Acts. AAC tracked 493 bills during the session that could affect county government. Two hundred and fifty four of those bills became law.

The AAC legislative package contained 31 bills, of which 29 passed and are now Acts. That is a 94 percent success rate.

The full text of each Act is available on the internet at the AAC website, www.arcounties.org, or the Arkansas General Assembly website, www.arkleg.state.ar.us

WHEN AN ACT BECOMES LAW

- (1) **(* Specific Effective Dates** – part or all of these acts have a specified effective date in the law. If so, these are effective on that date.
- (2) **(E) Emergency Clauses** – many acts have emergency clauses which make the act effective on the date it is signed by the Governor or becomes law without signature.
- (3) **Appropriation Acts** – these acts are effective July 1, 2019 or the first day of the fiscal year. The fiscal year for the State of Arkansas is July 1 – June 30.
- (4) **Unspecified (most Acts)** – acts which contain none of the above are effective 90 days after the General Assembly adjourns (Amendment 7 to the Arkansas Constitution, as interpreted by the Attorney General's Opinion #83-74). The General Assembly adjourned sine die on April 24th, therefore, the effective date of those acts without emergency clauses or built-in effective dates is expected to be July 24th.
